DEPARTMENT OF INDUSTRIES AND COMMERCE

From A. Khaleeli Esq., I.C.S., Director of Industries & Commerce, Madras.

To The Secretary to Government, Development Dept., Madras.

No.516.Cons/46 dated 8th February, 1947

Sir,

Sub: Government Silk Filatures, Kollegal - Construction of Silk waste godown etc., Tender - Accepted - Extra expenditure sanction - requesting for.

In G.O.No.2273 D.S. Development dated 1.-5-1946, sanction was accorded for the construction of the following additional buildings required for the Government Silk Filatures, Kollegal.

		Rs.
1.	Silk waste godown	20,000
2.	Carredor between the two reeling halls in Filature	2,500
3.	General stores	3,250
4.	Workshops	3,000
5.	Additional verandahs to the Office buildings.	2,400
	Total.	31,150

Out of these five buildings the construction of items 1,2 and 5 were considered urgent and tenders were called for to take up the work on hand. Only one tender was received from a contractor at Kollegal for a total amount of Rs.28,713/- Adding 5% for petty contingencies and supervision and providing for item not quoted in the tender, the total estimated cost works out to Rs.30,200/- against Rs.24,900/- sanctioned by Government in respect of these three items. An additional amount of Rs.5,300/- is required for executing the work. The rates quoted by the contractor are in most cases identical with those of latest works and are therefore reasonable. I therefore request that Government will be pleased to sanction an additional expenditure of Rs.5,300/- in regard to these three items. In anticipation of sanction, I am taking up the construction work on hand.

As regards the construction of other two items I am submitting revised proposals to Government separately.
